

5 BENEFITS TO SHOPPING ONLINE WITH US

PRICING

1

View your special pricing.

By logging in, you will have instant access to your current pricing! Up-to-date, just for you.

STOCK

2

Check our stock.

View product availability by clicking on “Find Near Me” to locate stock nearest to your location.

HISTORY

3

Access ordering history and quotes.

View and add items to your cart directly from your order history, open orders, and quotes online.

STRUCTURED PURCHASING

4

Stay organized and flexible.

Create product lists by specific plants, equipment, machines, departments, projects, etc. and share saved carts.

SEARCH CUSTOMIZATION

5

Search using your custom part numbers.

Add custom part numbers for easy custom searches. Even assign multiple custom part numbers to a single product.

INTRODUCING OUR NEW MOBILE APP

SCAN TO DOWNLOAD

Scan the QR code below to download our app onto your smart phone or tablet. Register using your Purvis Industries account number and access all of our app features today!

Contact your local sales representative to learn more.

PURVIS ANYWHERE

Purvis Anywhere is your virtual assistant for all your maintenance and purchasing needs. Our app instantly places a large variety of industrial products right at your fingertips to keep your business running. Access power transmission, bearing, electric, hydraulic, pneumatic, mining, and conveying products on-the-go, in the field, or anywhere your job takes you, using your mobile device or tablet.

You can locate availability near you, download product datasheets and engineering data, view your pricing, request quotes, connect with a solutions expert, manage your internal purchasing power, retrieve account statement balances, access past orders, and much more!

APP FEATURES INCLUDE

- Built-in scanner
- Quick access to shopping cart
- Ability to view pricing and availability
- Voice recognition search
- Log in using fingerprint or passcode
- Request a quote with an image
